

RAILS PICATINNY WITH ADAPTERS & BUNGEE CORD

OVERVIEW

The Indian Armour's Picatinny Adapter is designed to interface with the ACH-ARC Rail Kit for the MICH/ACH and FAST Helmets. Its proprietary dovetail rear design allows it to slide right into the ARC Rail system, providing the user a four-slot piece of rail for mounting a variety of accessories. The adapter features a quick-release design, but can be semi-permanently installed with a tension screw.

FEATURES

- Aerospace Quality ABS nylon plastic and High strength Impact Resistant Polymers enhance performance & durability, including water & chemical resistance
- Light Weight with easy installation
- ACH-ARC Rail Kit for the MICH/ACH and FAST Helmets.
