

TACTICAL UNIFORM

OVERVIEW

IA Tactical Uniform perfectly combines functionality and durability. With tons of pockets and durable ripstop fabric, tactical shirts and pants inspired the many styles of pants available today. We offer several options of the tactical uniform sewn to military specification. Designed to hold up on the battlefield, these uniforms are tough enough to carry on any tactical operation. Our tactical uniform can be comfortably worn under other gear such as a tactical vest, field jacket, and body armour.
